March 28, 2020

Dear Customer,

Your septic inspection requirement is not up to date. Please submit a current septic inspection/pumping report to fulfill the requirement that your septic system must be inspected every five years. You may submit by mail to P O Box 67 or by email [jmurray@mcn.org](mailto:jmurray@mcn.org).

The date of last inspection/pumping we have on record\_\_\_\_\_.

If you believe our records are not accurate, please submit a more recent report of inspection/pumping. If you cannot find this recent report, let us know who performed the inspection/pumping and approximate date.\_\_\_\_\_.

If you purchased your home within the last five years, an inspection was probably made at that time and a copy would be in your closing paperwork.

It is a requirement that your septic system be inspected every five years to protect the quality of our drinking water.

Judy Murray, Treasurer Irish Beach Water District  
707-900-1104  
[jmurray@mcn.org](mailto:jmurray@mcn.org)

Please provide a current certification done within the last five years performed by a registered sanitarian or a septic tank operator to the Water District by July 1<sup>st</sup>, 2020, to avoid further charges or action.

You may mail to Irish Beach Water District, P O Box 67, Manchester, Ca 95459 or email to [jmurray@mcn.org](mailto:jmurray@mcn.org). If you have further questions, you may call Judy Murray, District Clerk/Treasurer at 707-900-1104.
